The Promotion Terms and the Program Terms are collectively, the “Rules”.
2. Intel will award Eligible Partners the specified Points/Unit during the Promotion Period for purchases of the listed below in “Qualifying Products” during the Promotion Period.
3. In these Promotions, the relevant date used for establishing the Points earned for the purchase of any Qualifying Product is the invoice date* for the Qualifying Product. 6. The English language version of the Rules shall prevail over any translation. If there is a conflict between the Promotion Terms and the Program Terms, the Promotion Terms shall prevail. The terms of any Intel trademark license agreement(s) and/or Intel logo license agreement(s) shall prevail over the Promotion Terms with respect to the subject matter of such agreement(s). Intel’s standard terms and conditions of sale shall govern any purchase or redemption of Points for Intel products made between the Eligible Partner and Intel and shall prevail over any other agreements unless in writing and signed by an authorized representative of Intel.

8. Eligible Partner’s acceptance of the Points in these Promotions indicates Eligible Partner’s acceptance to the Promotion Terms.
9. Intel reserves the right to modify, suspend, or terminate the Promotion at any time and for any reason with immediate effect, without prejudice to any rights that have already accrued under the Promotion but with no further liability, by giving notice in any form to Customer.
